Cashback program

Our mission is to help your business grow and what a better way to do that, but by having a cashback program.

You will benefit from 15% cashback, for Platinum Metal cardholders, and 10% cashback, for Platinum Silver and/or Gold cardholders, when you pay with your card at our myPOS Online Shop at, <https://shop.mypos.eu/en/> or in any of our myPOS Stores across Europe.

In addition, purchases made with the Platinum Silver, Gold and/or Platinum Metal cards are eligible for 0.1% cashback on the amount of any other transaction. This means that 0.1% of your purchases will be credited back to your account once a year, in December.

Not all card transactions are eligible for cashback, please refer to the “Non-eligible cashback transactions” section below for more information.

In case your myPOS account is terminated you will lose your right of the cashback accrued

We will also be entitled to set-off any cashback due to you with any of your outstanding obligations to us.

NON-ELIGIBLE CASHBACK TRANSACTIONS

There are certain cases where cashback transactions are non-eligible for the program:

- If you make a payment to another payment card/instrument such as credit card, load an e-wallet, bank, cryptocurrency or gambling account and/or similar service or carry out any similar payment transaction which is not linked to a specific good or service
- Transactions associated with breaking any law or regulation
- Transactions that you have chargebacked, refunded or successfully reversed for any reason, including but not limited to reasons of lack of authorization, fraud and other similar.

IMPORTANT:

In some cases, the cashback might be deducted or withheld. Such cases are:

- Your payment was subject to any kind of refund, i.e. a chargeback;
- Your payment was linked in any way to fraudulent actions;
- The cashback was generated through actions that constitute a breach of the legal agreement with myPOS, including any policy therein; or
- You have outstanding obligations towards any company engaged in the provision of the myPOS Service to you

myPOS retains the right to deduct any due amounts from your myPOS Accounts in these instances. In case your myPOS account does not have sufficient funds, this could lead to legal action. This would also apply to any due fees for the use of the myPOS Platinum and myPOS Metal cards.

Subscribing to myPOS Platinum and myPOS Metal

You can choose between two subscription plans for your myPOS Platinum and myPOS Metal cards. You can either pay in monthly installments or as a one-off annual subscription. Each subscription will be charged continuously until you specifically instruct us to cancel it or you no longer are eligible for the myPOS Platinum and myPOS Metal plans. More details are available in the Tariff section.

The due dates for the subscription fees are as follows:

Monthly fees: At the corresponding date on which you subscribed to the premium card service of each subsequent month.

Annual fees: At the corresponding date on which you subscribed to the premium card service of each subsequent year.

The duration of the subscription is 1 year and it will be renewed automatically on the 12th month.

Should you wish to switch from monthly installments to an annual subscription, or vice versa, you can do so in the month prior to annual renewal.
